Email: hurman@vitalresearch.com
Website : www.vitalresearch.com | www.calpace.org

CalPACE, the California PACE Association, is 501(c)(6) association dedicated to the expansion of comprehensive health care services to seniors with chronic care needs through the Program of All-inclusive Care for Elderly (PACE). Through education and advocacy, CalPACE members strive to support, maintain, and safeguard the PACE model and promote high-quality health care services to California's seniors.

As the official CalPACE evaluator, Vital Research is proud to be giving seniors a voice in program improvement through the Integrated Satisfaction Measurement for PACE (I-SAT™) with more than 25,000 face-to-face interviews completed.

Contact

Richard Schamp, MD, CEO
6255 San Bonita Ave.
St. Louis, MO 63105
Phone: 720-279-4510
Email: rschamp@CPSTN.com
Website: www.capstoneperformancesystems.com

Capstone Performance Systems provides expert Medicare risk adjustment services to optimize compliance and revenue. Training, auditing, coding and analytics can provide greater visibility into operational nuances that impact payments. Clients achieve large returns on investment, enjoy more stable revenue and sleep better, knowing risk of noncompliance is low.
