Rocky Mountain Health Care Services Opens Second PACE Center in Colorado Springs.

COLORADO SPRINGS, CO –

Rocky Mountain Health Care Services (RMHCS) announced today the opening of a northern PACE location at 8595 Explorer Drive, Colorado Springs, CO, 80920. This clinic and day center will be called Rocky Mountain PACE at Explorer. RMHCS also has a building located at 2502 E. Pikes Peak called Rocky Mountain PACE at Pikes Peak.

Rocky Mountain PACE, which stands for Program of All-Inclusive Care for the Elderly, is a unique model of care that provides coordinated medical services to adults ages 55 and older. The nonprofit's goal is to help seniors live better by focusing on independence, health, and mental well-being. Rocky Mountain Health Care Services PACE program provides primary and specialty care, dental, vision and hearing services, rehabilitation, medical transportation, meals, socialization, and activities for 900+ PACE participants throughout El Paso County in the Pikes Peak region.

“We are excited to open another much-needed location for the participants in the PACE program,” says President and Chief Executive Officer Nate Olson. "We expanded because of the growing number of older adults entering the PACE program. This beautiful new space is senior-focused and provides access to valuable PACE services for older adults accessing the PACE program.”

Rocky Mountain PACE at Explorer is a three-story, 59,100-square-foot office building located within the Briargate Business Campus that provides easy access to Union, I-25, and North Academy Boulevard.
